

ROSE GROUP INT'L CLIENT SUMMARY

2018

**“HOW DID YOU FIGURE OUT OUR COMPANY
IN UNDER 45 MINUTES?”
- COO**

iX Leadership is about taking care of your people, so they will take care of your company. We worked with privately-held and public companies. We coach and train Executives, executive teams, managers, front-line supervisors, up-and-coming leaders, in small teams and large.

PROBLEMS

Specific problems addressed this year include a lack of accountability, implementation of initiatives, chronic late delivery, strategic development, poor productivity, negative team dynamics, high turnover, entrenched resistance, legacy & long-term conflict, among others.
