Rose Group International

Strategic Planning & Implementation

Create a strategic plan that can be implemented

Rose Group International will evaluate your current state, guide you to through discussions about your future state, and help clarify how your organization might achieve that state. With a mind to project implementation, our approach is practical, useful, and bridges the gap between strategy and operations (where many plans fail to achieve their stated goals).

Current Plan Review

CURRENT

- 1:1 Interviews
- Survey of stakeholders (if desired)
- Current financial picture
- Current services

Possibilities

FUTURE

- Team-based facilitation
- Shared values
- Capital improvements
- Staffing needs
- Service suite

Team and Process

ROADMAP

- Team considerations
- Development needs
- Leading through change
- Communication Plan
- Risk Assessment

Rose Group International is a certified HUBZone and Women-Owned Small Business (UEI: TJ51TKRFHJM6).
